1000 ml / 66 servings

Cherry ■

**Mega Amino Liquid is a protein hydrolysate concentrate designed to supply you with optimum dosage of peptides and amino acids per serving so that your protein demand is delivered faster.**

Mega Amino Liquid is much easier to digest and absorbed much faster than a standard protein supplement. This is the ideal choice whenever you need to increase of your amino acid pool post training or during a period of dieting. We have also added 200% vitamin B6 per serving which contributes to normal protein and glycogen metabolism.

Mega Amino Liquid is a protein hydrolysate concentrate that gives you 8.000 mg of peptides and amino acids per serving to meet your protein needs super fast. Mega Amino liquid is much easier to digest and is absorbed much faster than normal protein. Therefore, it is always the right choice if you need rapid replenishment for your amino acid pool.
